

SPONSORSHIP OFFERING

Sunshine Coast
Young Chamber of Commerce

ABOUT US

WELCOME TO THE SCYCC

Founded in 2020, the Sunshine Coast Young Chamber of Commerce (SCYCC) is a network platform created to support young, driven professionals pushing to make an impact in the business and professional world on the Sunshine Coast and beyond.

With a strong culture developing on the Sunshine Coast of young individuals pushing the boundaries and changing the way things are done in business, the SCYCC network offers an essential platform to embrace this movement.

The younger generation of professionals are not only complimenting the current local business environment, but taking their own unique approach and having real influence in their industries. Our purpose and goal is to nurture this drive and allow for an environment where members can have fun, connect, grow and make an impact with access to a trusted group of fellow professionals for support, collaboration and referrals. Having a platform to support each other is crucial in driving this culture forward and we are stoked to play a role in this!

OUR MISSION & VALUES

GROWTH

Professional & Personal

We believe growth, both professionally and personally, goes hand in hand when it comes to becoming who you want to be and reaching your goals in both business and life.

This is why the SCYCC provides the opportunity for growth through a variety of thought-provoking events, regular networking opportunities and stimulating conversations on our social media platforms.

CONNECTIONS

Community & Network

Creating strong connections through community and networking with like-minded people creates a great referral network and more importantly, lifetime friends who support you in ways that others may not be able to.

Through engaging in genuine connections and creating an environment that relationships can be built, we are expanding the reach and impact of members in the local business community.

IMPACT

Influence & Positive Change

The SCYCC aims to guide and support the next generation of industry leaders who want to make BIG impact and positive change, whether that be in a business or professional role.

We highly value the impact that can be made when a group of like-minded people come together as one. The positive effects it can have locally and globally are endless!

FUN

The Key Ingredient to Success!

The final and most important value of ours - FUN. We want to create a chamber that not only supports growth, connections and impact but also knows how to have a little bit of fun because FUN fosters deep relationships, a healthy mind and can create some fantastic stories for later on!

We know it can be difficult to find balance in life, so by adding a sprinkle of fun, we can make business a little more enjoyable!

JOIN THESE BUSINESSES THAT SUPPORT US

THANK YOU

Thank you for your consideration of our proposal to support the Sunshine Coast Young Chamber of Commerce.

Sunshine Coast Young Chamber of Commerce (SCYCC), seeks sponsorship from within the business community to partner with the Chamber to actively work together to support members and the greater Sunshine Coast region. What you receive as a sponsor of the Sunshine Coast Young Chamber is designed specific to your business needs after a consultation with our sponsorship team.

We would love to have you onboard and we are excited to be working side by side in delivering on your objectives for involvement.

We look forward to talking further and answering any questions you may have in order to make your decision to join us.

Thanks,

Bronte, Jacob, Miranda, Jordy & Josie
